H

Bill,

This is a prime example of inflation and middleman costs. We print and sell these maps to GPO at \$.15 each; they in turn sell them in their GPO Bookstores at \$1.50 each; and this entrepreneur buys them at this price and resells them at \$4.99 each. I think I'll go into the business myself!

Jim

BEER CANS—Approx. 350. Best offer takes. 924-2517.
